Overall Scholars Participated

ScholarShot is a 501(c)(3) Texas Corporation dedicated to helping at-risk students complete degrees in higher education. In Texas well-meaning access programs get at-risk students into college, but unprepared and underfunded, 9 out of 10 drop out. ScholarShot has a proven formula to help at-risk students complete career-ready vocational, associate and undergraduate degrees. Since being founded in 2009, ScholarShot has had 143 Scholars participated and collectively they have maintained a cumulative GPA of 3.149.

Our Mission

Two Initiatives, One Mission

Research has shown that food secure children achieve higher levels of literacy, and children with higher levels of literacy lead more food secure lives. By approaching poverty in the communities in which we work with a focus on both literacy and food security, we are able to give students the opportunity to be successful in school and graduate to more food-secure lives for themselves and families.

After: A dynamic website that

- Tells a story
- Connects users to our mission
- Enables volunteers to sign up

E.D.U.C.A.T.E. Now! Foundation

Mission: To empower diverse, unique children and teens to excel! We do this through a 3-prong approach of

- Providing online content to promote parent engagement and home learning
- 2. Partnering with banks to provide financial literacy workshops
- supporting higher education through scholarship awards for low income seniors

The Ask: New Website

Purpose

Implement a website that will support students and their families while streamlining the effort of the E.D.U.C.A.T.E. Now Foundation personnel.

Goals

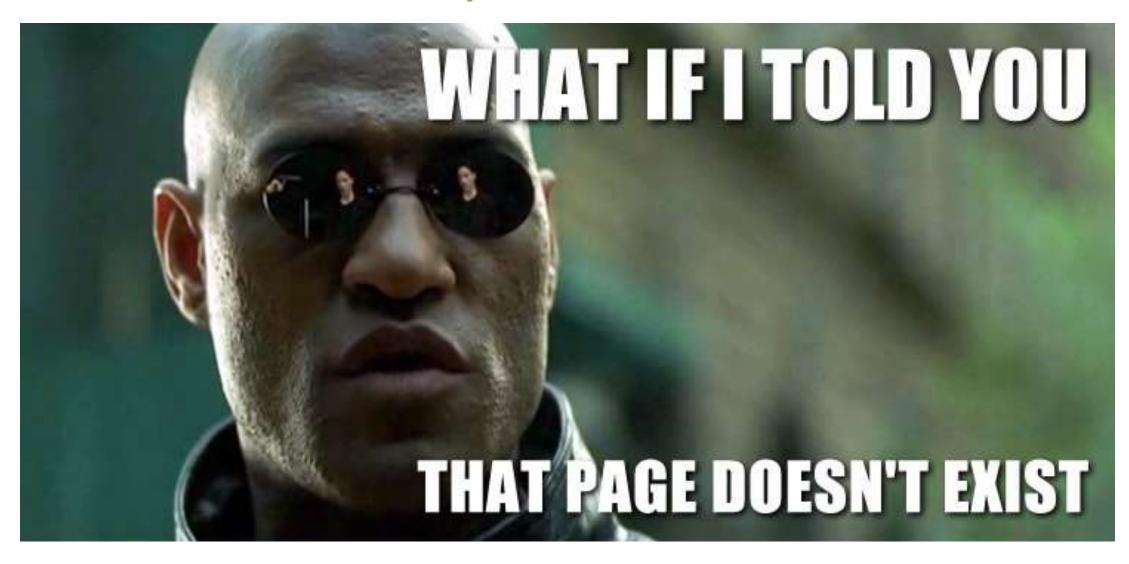

- Providing online content to promote parent engagement and home learning
- Collaborating with partners to provide financial literacy workshops
- Supporting higher education through scholarship awards for low income seniors.

Organizational Benefit

- Increase number of families/communities that can be reached by providing on demand content for frequently asked question or hot topics
- Improve process to organize communication to students and their families
- Single source content with ease to share

EDUCATE Now! is only successful through the support of organizations and individuals who are committed to building a future generation of inspired, confident adults. Our Board and staff members are committed to maximizing our community's generosity for the benefit of all of our children.

You can partner with us by providing funds in either of these 3 key areas:

- Sponsoring a scholarship for a high school/college student
- . Sponsoring a mini-grant for an educator committed to exceptional teaching
- . Giving toward our general fund which secures continued content for our website, provides school supplies for our annual Back to School Block Party, and allows us to provide best in class speakers for our conferences, training, events for the community.

All donations are fully tax deductible and 100% of all funds raised to support our programs and students. Every donation, no matter how large or small, makes a HUGE difference in our future.

The ACT (Animal Connection of Texas) site was last update in 2013 and had fallen into relative obscurity contrary to the activities of the group. The loss of the administrator created an issue with loss of access to email, administrative access and general functionality concerning the site operations.

SELLING

Animal Connection of Texas (ACT) is dedicated to the elimination of animal suffering.

ACT is a grassroots, all volunteer, 501(c)(3) nonprofit organization with no funds going toward salaries. Contributions are fully tax-deductible as allowed by law.

Founded in 1986, ACT has accomplished the following:

pound seizure in Dallas (the practice of spoke at city council meetings to help selling dogs and cats from city shelters to pass a proposition to fund a new animal research labs).

+ Established SNYP (discount spay/neuter coupon program, used throughout the metroplex). Call 214-349- + Placed anti-rodeo ads on DART buses SNYP for coupons and information.

+ Helped bring to Dallas: Pet-Fixx (mobile spay/neuter clinic, free to low-income residents) Luv-A-Pet (now Spay/Neuter Assistance Program)

+ Placed anti-fur billboards and TV commercials

+ ACT and Texans Exposing Petland shut down the Lewisville and Arlington Petland + Public education on spay/neuter. ACT stores.

+ Fought and won a 4-year battle to end + ACT members collected signatures and shelter for the city of Dallas. The proposition passed in the 1996 bond election.

+ Hosted a 9-month long weekly radio show that featured topics on animal welfare, animal rights, the environment, and some social justice issues.
